Donations for Drawings at Summit

It takes a village to do work on women's economic issues and we would like to give organizations and individuals attending the Summit an opportunity to take back some wonderful items to their communities. We would like to hold several drawings throughout the Summit. Every registered participant will receive 5 tickets in their conference bag and may make a donation to purchase extra tickets to enter the drawing. Your generous donation will make this a reality. All donations are tax deductible.

Grand Prizes

We are looking for grand prizes for the drawing at the Saturday Luncheon. Donors of grand prize items will have the opportunity to pull the winning ticket for their item and will have a special listing in the program book. **Call for additional benefits.**

Suitable prizes include: use of vacation home, airline tickets, jewelry, season tickets, flat screen TV, cruise tickets, concert tickets, and major home appliances.

Suggested donations:

- | | |
